VIVI CONCEPT DESIGN

PROJECT CONCEPT

VERY VERY YOU

Vivi is all about being VERY VERY YOU — embracing your individuality and expressing yourself freely. Every space reflects your personality, creativity, and energy, turning every corner into a moment of joy and connection. With a modern, playful, and youthful vibe, Vivi makes living fun, vibrant, and completely Very Very You.

COZY STYLE

SEAMLESS RHYTHM

The project is designed with the idea of “SEAMLESS RHYTHM” — a reimagined definition of endless movement and vibrant energy.

The white architectural form captures the sparkle of ocean foam, reflecting freshness, dynamism, and an ever moving spirit. Soft flowing curves echo the natural rhythm of waves, expressing the sea's vitality in graceful continuity.

Accents of peach-toned walls, inspired by the sandy beaches, add a youthful vibrance and modern flair.

Together, the design embraces a COZY STYLE — where playful curves flow with nature's rhythm, creating relaxation and joy.
